

Tucan

Kids of 88

hey ok so this is my first time doing this so um here :)

Capo 1
chords in song: **D, A, Em, G**
i thought
* single strum

you can mix up the Em and G depending on
what sounds right to you this is just what

intro: **D, A, Em, G**

D

Give me what I want

A

I want to leave

Em

Leave behind

D

A

Em

Tell me how to free my body, find peace of mind

D

This is getting good

A

Em

I m feeling like I m alive

D

Show me who I am

A

Em

I ll leave my world all behind

D

A

G

I wanna go to a place that I know is real

D

A

G

I need to find a new place for my mind to heal

D, A, Em, G x2

D

A

Em

Gonna make my way from the shade to the light

D

A

Em

Vibrations gonna echo on through the night

D

I ve been here before

A

Em

Different space, different time

D

Show you who I am

A

Em

I ll leave my world all behind

D

A

G

Cause I wanna go to a place that I know is real

D **A** **G**

I need to find a new place for my mind to heal

D,A,Em,G

D **A**

Feel no doubt

Em **G**

You know we re gonna make it out

D **A**

Don t be scared

Em **G**

See my body lying there

D*

A*

Don t be scared

Em **G**

See my body lying there

D **A** **G**

I wanna go to a place that I know is real

D **A** **G**

Cause I need to find a new place for my mind to heal

D **A** **G**

Gonna make my way from the shade to the light

D **A** **G**

Vibrations gonna echo on through the night

D,A,Em,G

D **A**

Don t be scared

Em* **G***

See my body lying there
