Intro **C G Am F G**

**C**

Softly spoken girl

**G**

Skin white as ice cold pearl

I remember body stains

The smell of falling rain

When I lay my head on her lawless bed

Spit words to condemn me

Now the sweetest sin

**F**

taste of rusted tin

**F**

**G**

But Ive lost my head

**F**

I found comfort in broken songs

**G**

**Am**

Prayed that Id lose faith

**C**

Baptized in gutter rain

**G**

I bled out my Christian name

**F**

**Am**

And the fallen son, the helpless one

**G**

The endless chorus of a God child s song

**F**

Singing lord hear me now

**Am**

well you know that creek out town

**F**

With my suit all neat

with waded feet

Your going to see this body drowned ohhh ohh ohh oh
