Fire Away
Kill the Alarm

Hey guys,
hope you enjoy this song, these chords should be correct.
Listen to the song for strumming patterns (especially in the intro)
Song: Fire Away
Band: Kill the Alarm
Album: Fire Away

```
Cm        D# A#   Cm G#     D# A#
```

```
Cm                        G#
```
If you paint a perfect picture
```
          D#                A#
```
Of what you need your life to be
```
                     Cm
```
Do you know who you are?
```
                            G#
```
You break your back to bring it back to break you
```
            D#
```
But not this time
```
                A#
```
They’re all gonna find out, what I’m made of

```
G#                A#
```
I don’t need you here to validate me
```
G#                A#
```
I don’t need you here to tell me anything

```
Cm    G#                D#
```
Fire away with a loaded gun
```
          A#                Cm
```
Light the night I’m on fire
```
     G#
```
I’m on fire
```
           D#                A#
```
Even the rain won’t put me out

```
Cm                        G#
```
Now I know just what to change in me
```
              D#                A#
```
To make you notice what your letting go

```
                           Cm
This, was all part of my plan
                            G#
Every step I take is my own
                       D#
Sick of watching the sun rise
             A#
I'm moving straight out to the sunset here I come

G#                    A#
I don't need you here to show you're with me
G#                    A#
I don't need you here to show me anything

Cm     G#                    D#
Fire away with a loaded gun
          A#               Cm
Light the night I'm on fire
     G#
I'm on fire
          D#                A#
Even the rain won't put me out
Cm              G#                    D#
I'm a self-proclaimed child prodigy
     A#        Cm      G#       D#       A#
To feed your every desire on fire, on fire

G#                    A#
                       to validate
G#               A#
                       to show you're with me
G#                 A#
I don't need you here, I don't need you here
G#                    A#
I don't need you here to validate

Cm G#

Fire away with a loaded gun
                            Cm
Light the night I'm on fire
     G#
I'm on fire
          D#                A#
Even the rain won't put me out
```

```
Cm                  G#                          D#
I'm a self-proclaimed child prodigy
      A#        Cm        G#          D#        A#
To feed your every desire on fire, on fire

just repeat   Cm    G#    D#    A#
```
