

**Bloodsport**  
**Killing Joke**

very simple but masterfully effective riffs from geordie. sussed this while watching them live in early eighties. from the album whats this for the only instrumental on the record. you will need to hear the recording first to pick up the rhythm though.

first riff.  
based on A and A7 chords.

```

e |-----
B |-2-2-2---2-2-2-2-2-2-2-2-2-2-----
G |-2-2-----2---2---2---2-2-- repeat last nine chords as needed missing last
D |-2-2-2---2-2-2-2-2-2-2-2-2-2 three on final repeat before change to riff 2.
A |-----
E |-----

```

second riff based on E and E7.

```

e |-----
B |-----
G |-1-1-1---1-1-1-1-1-1-1-1-1-1-----
D |-2-2-----2---2---2---2-2-- repeat last nine chords as needed missing out
A |-2-2-2---2-2-2-2-2-2-2-2-2-2 last three on final repeat before change to r.1
E |-----

```

please give this tab a chance as i am bassist and geordie uses heaps of delay and it is believed slight de-tune. constructive comments welcome. phil Q.
