

Let It Go  
Killing Me Inside

[intro] **Am C F** 2x  
**Am F G** 2x  
**Am F G Am F G**

**Am** **F** **G**  
I try so hard to make you mine But it's so hard

**Am** **F**  
You said that you just wanted me  
**G**

And I'm not sure

**Am** **F** **G**  
But you don't care you make me so down

**Am** **F** **G**  
Don't try to hide with everything we got

**Em** **F** **Am**  
So I'll take my time to get you now

**G**  
I know you'll never understand

**Em** **F** **Am**  
So I'll take my time to get you now

**G**  
I know you'll never understand

[chorus]

**F G Am**  
You take your way when everything feels wrong

**F G C**  
Tonight will never end, just let it go

**F G Am**  
You take your way when everything feels wrong

**F G**  
Tonight will never end

[int]**Am F G** 2x

**Am**  
I took a change  
**F G**

I took a fall yes I was blind

**Am** **F** **G**  
And now I see everything was gone, just let it go

**Am** **F** **G**  
But you don't care you make me so down

**Am** **F** **G**  
Don't try to hide with everything we got

**Em**                    **F**                    **Am**  
So Iâ€™ll take my time to get you now

**G**  
I know youâ€™ll never understand

**Em**                    **F**                    **Am**  
So Iâ€™ll take my time to get you now

**G**  
I know youâ€™ll never understand

[chorus]

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **C**  
Tonight will never end, just let it go

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **Am**  
Tonight will never end

[int] **Am F**

**Am**  
Just let it go I tell you now

**F**  
Just walk away and donâ€™t look back

**G**  
Just let it go I tell you now  
Just walk away and donâ€™t look back

[chorus]

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **C**  
Tonight will never end, just let it go

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **Am**  
Tonight will never end

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **C**  
Tonight will never end, just let it go

**F**    **G**            **Am**  
You take your way when everything feels wrong

**F** **G**                    **Am**  
Tonight will never end

[ending] **Am F G 2x Am**
