

Always

Killswitch Engage

I thought it would be awesome to play this song with an acoustic.. so i figured out the chords

Tune down one step to play along with the song

In the breakdown just strum the chord following the rhythm of the song

[Intro]

Em

[Verse 1]

F **Em**
In these moments of loss and torment
F **Em**
When the vast skies donâ€™t seem to call to you
F **Em**
When the weight of this world bears down
F **Em**
And the stars have fallen like tears

[Chorus]

Dm **Am** **G**
I am with you always
Dm **Am** **G**
From the darkness of night til the morning
Dm **Am** **G**
I am with you always
Dm **Am** **G**
From life until death takes me

[Verse 2]

F **Em**
Monuments built in remembrance of me
F **Em**
But monuments fade and fall in decay
F **Em**
The memories are all that remains
F **Em**
As far as east is from the west, remember

[Chorus]

Dm **Am** **G**
I am with you always
Dm **Am** **G**

From the darkness of night until the morning

Dm Am G

I am with you always

Dm Am G

From life until death takes me
