

Youre Right

Kilo Kish

Kilo Kish - You re Right

Capo 1 (Great to sing with capo 4)

Am

Give me something new to say

C

Something new I can fight for

G

Then I caught the awkward pain

Am7

When you walked through that door

Am

And we didn t speak to each other

C

And we don t greet one another

G

When we blew text under covers

D

And you used to be my lover

Am

I don t wanna hear anything new

C

Eyes are eyes and mind for you

G

Through a glass couldn t see it clearer

Am7

Catch me staring in the mirror

Am

Like what the fuck

C

Tornado uprooted our lives

G

We need ours, stealing my pride

D

My dignity and half my life

Am

I guess you were right

C

Yea I guess you were right

G

I guess you were right

D

Yea I guess you were right

Am

When you said

C

And when you said

G

D

All you have are friends

Am/C/G/Am7

Am/C/G/D

I don t wanna write any new songs
Don t wanna play games in garageband
Cus last night I recall you were my man
But didn t end up like I planned
Break up to make up a new song is in my ear
And all of the things that you told me
Looking at reflections still ain t clear
Its not fair
I said muthafucker unfair
Cus yesterday you were right here
My bed is snow white
And I m scared
That its true
Ill never find another like you
Everything I said is untrue
Rollin on acid
I could hate you
But don t
