Verse 2
E
In my imagination
В
We re running round in circles
В
Underneath an open sky
Е
So put your postcards perfect
В А
With nothing there to hurt us
В
That s the way I m getting by
Park days 0
Bridge 2
C#m Eb/E E
B A
Cause I don t know just who I would tell it to my heart
Cause I don t know just who I would tell it to my heart
В
B If you should walk away
В
B If you should walk away
B If you should walk away C#m Eb/E E B
B If you should walk away C#m Eb/E E B A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus B A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A So why you don t you, day breaking
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A So why you don t you, day breaking B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A So why you don t you, day breaking
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A So why you don t you, day breaking B
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B Tomorrows yours and mine E B A So why you don t you, day breaking B My hearts wide open now
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B So why you don t you, day breaking B My hearts wide open now E B You could be queen, I could be king
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E BA We could escape from everything B And leave it all behind E BA You could be queen, I could be king B Tomorrows yours and mine E BA So why you don t you, day breaking B My hearts wide open now E B You could be queen, I could be king B My hearts wide open now E B You could be queen, I could be king A F#m A
If you should walk away C#m Eb/E E B A I know that we could still try and maybe find a spark B That used to take us out of the dark Chorus E B A We could escape from everything B And leave it all behind E B A You could be queen, I could be king B So why you don t you, day breaking B My hearts wide open now E B You could be queen, I could be king

E | B | A | B

Chorus

E B A

We could escape from everything

В

And leave it all behind

E B A

You could be queen, I could be king

В

Tomorrows yours and mine

E B A

So why you don t you, day breaking

В

My hearts wide open now

You could be queen, I could be king

A F#m A

And all it takes is another state of mind

Verse 3

Ε

We re at that window table

В

Another quiet evening

A

The conversations running slim
