Verse 1

**G#m** **A**  
My heart was aching baby  
**E**  
For a special place  
**G#m** **A**  
That I could call my own  
**E** **B**  
Somehow I just know, oh  
**F#m** **A**  
My lonely wait is over  
**B** **E**  
Let that feeling grow  
**B** **A**  
Cause I feel like coming home  
Let that feeling grow

Chorus

**E** **B** **F#m** **A**  
I wanna hide inside your warm embrace

**F#m**            **A**            **E**            **B**  
 And say that your the 1 in a million ways  
**E**            **B**            **F#m**            **A**  
 Just learn to trust like in my childhood days  
**F#m**            **A**            **E**            **B**  
 Without a reason to go slow  
**A**  
 Just let that feeling grow

Interlude (play intro solo)  
**E B | A**    x 2

Verse 2

**G#m**                    **A**  
 My soul was like a flower  
                          **E**  
 Longing for the rain  
**G#m**                    **A**  
 But that was yesterday  
                          **E**        **B**  
 Cause somehow I just know  
                          **F#m**  
 We re onto something better  
**A**  
 Let that feeling grow

Chorus

**E**            **B**                    **F#m**            **A**  
 I wanna hide inside your warm embrace  
**F#m**            **A**                    **E**            **B**  
 And say that your the 1 in a million ways  
**E**            **B**                    **F#m**            **A**  
 Just learn to trust like in my childhood days  
**F#m**            **A**                    **E**            **B**  
 Without a reason to go slow  
**A**  
 Just let that feeling grow

Bridge

**C**        **C/B**                                    **A**            **B**    **C**  
 When I lay down at night I m dreaming  
                          **C/B**                                    **F**    **G**  
 I see you throughout my life  
**C**        **C/B**                                    **A**            **B**    **C**  
 That s the one thing that I believe in  
                          **C/B**                                    **F**    **A**  
 Just tell me that I m right  
                          **B**  
 And let that feeling grow

Chorus

**E**            **B**                    **F#m**            **A**  
I wanna hide inside your warm embrace  
**F#m**                    **A**                    **E**            **B**  
And say that your the 1 in a million ways  
**E**                    **B**                    **F#m**            **A**  
Just learn to trust like in my childhood days  
**F#m**            **A**                    **E**            **B**  
Without a reason to go slow  
**A**  
Just let that feeling grow

**E B |A**
