

**The Hardest Lesson**

**Kim Fransson**

Tabbed for Standard Tuning

Tabbed by Jeppe

Songwriters: D. Child, A. Carlsson, K. Fransson, A. Bagge

BPM: 118

Verse 1

I can see it in your eyes **C**  
You've lost the love you always wanted **D**  
It's hard to get on with your life **C**  
And kick the pain that keeps you haunted **D**  
But every heartbeat has a price **C**  
And every breath you take's been counted **D**

**Bm**

So hush now  
You know it's time to join the club now **G**  
You gotta to the best you can now **A F#m**  
I'm telling you, you're not alone baby **G**

Chorus

Where you're gonna go when your soul gets tired of running **C C/B D**  
How're you gonna turn it around when you're ready to crash and burn **C Em D**  
What you gonna do with the pain that'll never stop hurtin' **C Em D B**  
Oh baby, love's the hardest lesson that your hearts never gonna learn **Em G D**

Verse 2

Just when you think you got it right **C**  
Somebody's taking you for granted **D**  
And though the facts are black and white **C**

D

You can bet the truth is slanted

Bm

So hush now

G

It s time to join the human race now

A

F#m

There ain t nothing you can face now

G

I m telling you, you will survive baby

Chorus

C C/B D  
Where you re gonna go when your soul gets tired of running

C Em D  
How re you gonna turn it around when you re ready to crash and burn

C Em D B  
What you gonna do with the pain that ll never stop hurtin

Em G C  
Oh baby, love s the hardest lesson that your hearts never gonna learn
