JUST LIKE THE MOON (Kim Richey & Tia Sillers)

-----  
[This song is actually in Eb. These chords - in G - are played with a capo on the 8TH FRET. Another guitar plays in D with a capo on the 1st fret, but those chords aren t nearly as much fun to play.]  
[In the parts that go G C D D, the D alternates between D and D(9), but I think the guitar in A (capo 1) is playing A and Asus4.]

[intro]

G C D D G C D D  
I sat outside one afternoon in an old lawn chair  
G C D D  
And I watched the sun set off for business west somewhere  
Em C G D  
And the sky turned water color pink and gold and blue  
Em C G D  
And the stars all showed up one by one and we waited for the moon

C - G/B C - G/B  
And I thought about you and I wondered why I  
C - G/B Am Am  
Took so long to say goodbye  
C - G/B C - G/B  
Oh you shined so bright you blinded me  
C - G/B Am Am  
And left me so I couldn t see

C(9) G D D  
That I was the moon chasing the sun  
Em C G D  
There was never a prayer of ever catching up  
C(9) G D D  
No matter how fast I would run  
C G D D  
Like the moon chasing the sun

C G D D

Just like the moon chasing the sun

G C D D G C D D

[instrumental]

The crickets called and the moon peeked out of the eastern sky  
They both start up about this time each night  
And the evening breeze dropped by and brought some sweet relief  
And in the silver light I finally let go of the heat

And I thought about you and I wondered why  
I took so long to say goodbye  
Oh you shined so bright you blinded me  
And left me so I couldn't see

That I was the moon chasing the sun  
There was never a prayer of ever catching up  
No matter how fast I would run  
Like the moon chasing the sun  
Just like the moon chasing the sun

G C D D G C D D
