E **A**
I could pretend to love you,
B **A**
And be someone else for awhile.
E **A**
Make you believe you re the one that i want,
B **A**
Give you my heart in disguise.

E **A**
I could be all you wanted
B **A**
Make all your dreams come true, yeah
E
Surrender my love
A
At the feet of your will
B **A**
And live out your fantasy for you,

C#m
And you would be happy,
B
And I d make you smile
A **B**
And I d go on living a lie,

E
But do you really want,
A
To give your life to,
C#m
Thinking you ve found true love,
B
When it hasn t found you?

E
Do you really want,
A
To give your life to,
C#m
Thinking you ve found true love,
B
When it hasn t found you?

E **A**
I could make you a promise,
B **A**
And be all you want me to be.
E **A**
Give you my hand as we walk down the aisle
B **A**
So you could live happily.

C#m
And you would be happy,
B
And I'd make you smile
A
But I'd go on living a lie

E
But do you really want
A
To give your life to,
C#m
Thinking you've found true love,
B
When it hasn't found you?

E
Do you really want
A
To give your life to,
C#m
Thinking you've found true love,
B
When it hasn't found you?

C#m **B**
Cause this is not
A
What I had planned
B **C#m**
I hoped one day that you will understand,
B
If I could change
A
This heart I would
B
And say I love you only If I could.
