

Old Flame
Kimbra

Old Flame /Writers: Francois Tetaz, Kimbra.

Cm-G#
Old flame, it s always the old way
Cm
When did it get so damn cold?
G#
You re so seasonal
Cm
We flickered and swayed
G#
Each time the winter soul came
Cm
I remember gold days
G#(?)
Under love s warm haze

Cm **G#m**
Old flame, you re still the one that holds me
B
Can t you feel it burning?
C# **C#sus2**
Can t you feel it burning still?
Cm **G#m**
Old flame, I fell for your inferno
B
Where did all the love go?
C# **C#sus2** **Cm**
Can t you feel the wind blow you closer to me?

Cm-G#
I went by your house today
Cm
When did you get so hollow?
G#
So closed, so overgrown?
Cm
But I flicker and sway
G#
Still dancing on the aftertaste
Cm
I remember gold days
B
Wrapped up in the warmth we made

Cm **G#m**
Old flame, you re still the one that holds me

B
Can you feel it burning?

C# **C#sus2**
Can you feel it burning still?

Cm **G#m**
Old flame, I fell for your inferno

B
Where did all the love go?

C# **C#sus2**
Can t you feel the wind blow

Cm **G#m**
Smoke skies, colors and cloud nines
G#(A7)
Circles and straight lines and drowned eyes

B-Bsus2
(When there s something in the air)

Cm **G#m**
From such heights, I fell into fahrenheit

G#(G#7)
And time only fuels the desire

B-Bsus2
(When there s something in the air)

It s always the old way
When did it get so damn cold?
You re so seasonal

Cm **G#m** **B**
Old flame, burning

C# **C#sus2**
Burning still

Cm **G#m**
Old flame, inferno

B **C#-C#sus2**
Where did all the love go?
