

Old Flame  
Kimbra

Old Flame /Writers: Francois Tetaz, Kimbra.

**Ebm-B**

Old flame, it s always the old way

**Ebm**

When did it get so damn cold?

**B**

You re so seasonal

**Ebm**

We flickered and swayed

**B**

Each time the winter soul came

**Ebm**

I remember gold days

**B(?)**

Under love s warm haze

**Ebm**

**Bm**

Old flame, you re still the one that holds me

**D**

Can t you feel it burning?

**E Esus2**

Can t you feel it burning still?

**Ebm**

**Bm**

Old flame, I fell for your inferno

**D**

Where did all the love go?

**E**

**Esus2**

**Ebm**

Can t you feel the wind blow you closer to me?

**Ebm-B**

I went by your house today

**Ebm**

When did you get so hollow?

**B**

So closed, so overgrown?

**Ebm**

But I flicker and sway

**B**

Still dancing on the aftertaste

**Ebm**

I remember gold days

**D**

Wrapped up in the warmth we made

**Ebm** **Bm**  
Old flame, you re still the one that holds me

**D**

Can you feel it burning?

**E** **Esus2**

Can you feel it burning still?

**Ebm** **Bm**

Old flame, I fell for your inferno

**D**

Where did all the love go?

**E** **Esus2**

Can t you feel the wind blow

**Ebm** **Bm**

Smoke skies, colors and cloud nines

**B(A7)**

Circles and straight lines and drowned eyes

**D-Dsus2**

(When there s something in the air)

**Ebm** **Bm**

From such heights, I fell into fahrenheit

**B(B7)**

And time only fuels the desire

**D-Dsus2**

(When there s something in the air)

It s always the old way  
When did it get so damn cold?  
You re so seasonal

**Ebm** **Bm** **D**

Old flame, burning

**E** **Esus2**

Burning still

**Ebm** **Bm**

Old flame, inferno

**D**

**E-Esus2**

Where did all the love go?
