Not the meant and not the paint **F**

Want the price but not the raise

Am
I want the jump but not the height
F **Dm**
Let me fall but catch me mid flight

I swam with sharks and beasts of the sea **F**
Dm
Only went down for the company
Am **F**
Went down for the company
Dm
I forgot to mention

That you would come back home when I call

Left no sign, nothing at all
