

Two Way Street
Kimbra

Capo 4

Am, E, G, Dm

I feel the 4 become 5
?And I m waiting, waiting, waiting?
For you to walk down the boulevard
?and to take me, take me, take me?
but the moment you appear?
you wake me, wake me, wake me
?out of the slumbers of my head?
from the slums of loneliness.

C, G, F, D

??and there s no conspiracy
?behind the way to heist me?
when love is a two way street
(love is a two way street).??...
and i think i m ready?
to let you get under my skin
?I can t make you fall for me
?(love is a two way street).

Am, E, G, Dm

??We re coming close to our fate
?they ll put a star beside our names?
and I couldn t care for the history
?when i ve got you in front of me
?the cars could all collide?
the shards of glass?won t catch my eye?
cause you re almost by my side?
we re counting down at the green light.

C, G, F, D

and there s no conspiracy
?behind the way to heist me?
when love is a two way street
(love is a two way street).??...
and i think i m ready
?to let you get under my skin
?I can t make you fall for me
?(love is a two way street).
