

I Miss You
Kimya Dawson

Whole Song: **G, D, C, G**

G **D** **C** **G**
I was always strong as long as we were a team

I crawled into somebody s heart who meant the world to me
G **D** **C** **G**
love made me strong enough to be alone and set me free
G **D** **C** **G**
but with my friends friends to the end is where I wanna be
G **D** **C** **G**
with my friends friends to the end is where I wanna be

G
I don t need to
 D
but I want to
 C
sing with you
 G
cause I miss you
G
I don t need to
 D
but I want to
 C
sing with you
G
cause I miss you
