Intro: **Dsus4 A7sus4 Em7 G** x2

Verse:

Dsus4 **A7sus4** **Em7** **G**
I've been walking down this road too long, too far
Dsus4 **A7sus4** **Em7** **G**
And I'm thinking it's time that I turn back.

I'm losing myself in my own confusing rhythms
Dsus4 **A7sus4** **Em7** **G**
In the path from heart to brain I lack.

Verse:

Dsus4 **A7sus4** **Em7** **G**
Wish the things I felt were clearer
Dsus4 **A7sus4** **Em7** **G**
Like the moonlight over me tonight
Dsus4 **A7sus4** **Em7** **G**
You know all I want is to have you nearer, nearer
Dsus4 **A7sus4** **Em7** **G**
And a love so high that we'd take flight.

Em7 D Cadd9
So long my ways, I wont miss you
