

Gone
Kina Grannis

Capo 4

Verse 1:

G **Em** **C** **D/F#m**
Stop in the dark where the stars are still shining on me
G **Em** **C** **D/F#m**
Go with the wind, let it lift away the memories
C **D/F#m**
I tried to set you free
C **D/F#m**
You kept trying to rescue me
G **Em** **C**
But you can't tell a heart when to start,
D/F#m
how to beat

prechorus:

Em **C**
I never wanted to say goodbye
G **D/F#m**
You never wanted to see me cry
Em **C** **G** **D/F#m**
Now I'm afraid to open my eyes

Chorus:

Em **C** **G** **D/F#m**
Are you gone, gone, gone?
Em **C** **G** **D/F#m**
Tell me I'm wrong, wrong, wrong
Em **C** **G** **D/F#m**
It's been so long, long, long
Em **C** **G** **D/F#m**
Are you gone, gone, gone?

Verse 2:

G **Em** **C** **D/F#m**
Back at the start we were the only thing that mattered
G **Em** **C** **D/F#m**
And we smiled, unafraid, as we filled the night with laughter
C **D/F#m**
And I tried my best to see

What you tried your best to be

But you can't tell a heart when to start,
how to beat

pre chorus :

I never wanted to say goodbye
You never wanted to see me cry
Now I'm afraid to open my eyes

Chorus:

Are you gone, gone, gone?
Tell me I'm wrong, wrong, wrong
It's been so long, long, long
Are you gone, gone, gone?
