No Matter
Kina Grannis

                        No Matter - Kina Grannis

Hi! This is my first submition on here! I love this song and wanted to play it,
and
where no chords...so here!

Standard Tuning

Strumming pattern: dd dd dd dd (for most of the song! listen for changes!)

Chords used:
G*   320000
Am   x02210
G   320033
Dsus4* 200033
C   320010
Em   022000
Cadd9 x32033

* I didnt know the exact chord names, so I guessed!
With the G* ...you play it 320000 for 3 beats then on the 4th you do a hammer on
thingy
so you play 330000 for the last beat!

Intro: G* ---x4   (listen for picking on 2nd time onwards! ... its simple....
strum the
then pick the B then G string then back to strumming!)

Verse:
 G*
 No matter how we place the blame

  There are still pieces on the floor

  Someone s got to pick them up before

Chorus:
 Am   **G**   **Dsus4**   **Am**
 It s too late and innocent feet have bled on our behalf
    G   **Dsus4**   **Am**   **G**
 Our reluctance to sweep away our bitterness and hostility
 Dsus4
 Can t you see?
Am   **C**   **G***
 we re all at fault for something.

```
Verse:
 G*
 No matter how we play the game

 We re still fighting for an edge

 Someone s failing while you re up ahead

Chorus:
Am                    G           Dsus4
 Forging through the emptiness, too sly to rest
Am                    G         Dsus4
 And far behind, the weaker one bows his head
Am                           G
 Your goal is near, what of empathy?
 Dsus4
 Can t you see?
Am            C             G*
 we re all at fault for something.

Bridge:
Em     C     G*
 Oh no.... Oh
Em  C                      G  Dsus4
 Oh, I don t want to be cold.
Am          C      G              Dsus4
 Much rather see these happy things for you and me
        Am              C
 Won t live a life of apathy
Am             C     G*
 From my heart: my apologies.

Verse:
G*
 No matter how hard I try

 I still fall a little short

 Got to try a little more
Am               C               G
 There s always more that I can be.

Outro: G--Cadd9 x4

The outro has a really easy picking pattern:
   G        Cadd9
E|-3--3--3------|
A|----------2---|
D|--------------|
G|--0--0--0---0-| x4
B|----------3--|
e|--------------|
```
