Verse:
F   **Am**   **Dm**   **Bb**
 Swarms of people they move in every direction
F   **Am**   **Dm**   **Bb**
 Some eyes they wander while others are just glued to their feet
 F   **Am** **Dm**   **Bb**   **F**
 And how I wonder what goes on behind those eyes,
        Am   **Dm**   **Bb**   **F Am Dm Bb**
 There are lives, growing older and they re growing wise

 F Am Dm Bb

F   **Am**   **Dm**   **Bb**
 So amazed by all the many different faces,
F   **Am**   **Dm**   **Bb**   **F**
 Searching for traces of emotion wondering places they have been
         Am   **Dm**   **Bb**   **F**
 And on occasion, someone will take a look at me,
            Am   **Dm**   **Bb**   **F Am Dm Bb**
 But do they see a unique person, or am I part of a vast sea

Chorus: (All open chords)
F   **C**   **Bb**   **C/F#**
 Sing me your song, solve my mystery

```
F        C        Bb           C/F#
 I wont do you no harm, just wanted to see
F        C        Bb              C/F#
 Sing me your song, solve my mystery
F        C        Bb           C/F#
 I wont do you no harm, just wanted to see

F Am Dm Bb

Verse:
F               Am                Dm                Bb
 They are the background of your everyday situation
F          Am             Dm            Bb                    F
 Look all around you start to wonder really who these people are
              Am       Dm            Bb                F
 They might be watching, wondering quite the same of you
              Am          Dm              Bb                F Am Dm Bb
 So break this auto pilot path and try to start something new
