

**Stars Falling Down**  
**Kina Grannis**

**C** **G** **Am** **F**  
I think that the stars would have waited for us  
**C** **G** **Am** **F**  
hanging on to the night, watching down below  
**C** **G** **Am** **F**  
Until we were hand in hand, together waiting for them  
**C** **G** **Am**  
And when I open my eyes I saw it too  
**F**  
Stars falling down, when I fell for you  
**C** **G** **Am** **F**  
I love you, I love you. I do.

I think that the clouds like the laughter between us  
Wanting to feel the warmth they re softly sinking down  
Until the cover the streets just like a dreamland  
And right above us they part so that I see through  
Stars falling down, and I fall for you.

I love you, I love you. I do.
