```

Intro: **G D C** x4

G	D	C
Sometimes it s hard to look you in the eye		
G	D	C
the mess i ve created it stands idly by		
G	D	C
and i dont expect the dishes to do themselves		
G	D	C

but that sure would be nice

G D C
cause i am moving circles, falling back
G D C
my past has caught up to me, and i ve lost track
G D C
of what is history and what is a book marked page
G D C
I d always hoped to come back to someday

(Chorus)

G C G
don t speak to soon
D G
I ll likely shut my ears or shut down
C
I m mostly floating
G D
and I m not ready to come down

G D C x2

G D C
Don t wipe away my tears so quickly
G D C
Do you even know if they re happy or sad
G D C
maybe i need to let them fall
G D
clean me out and wash me down
C D
and let me drown for a while

G D C
you don t have to hold my hand through this
G D C
you ve got enough to carry on your own
G D C
I think you ll need but hands for that
G D C
i think for now I d be better off alone

(Chorus) x1

Em D C

Em D C
I will be fine,i need to grow
Em D G
no expectations please
Em
because i dont know

D **C**
where im going or where i even stand

Em **D** **C** **G**
i m just trying to find out exactly who i am, so

G **C**
don t speak to soon

G **D** **G**
I ll likely shut my ears or shut down

C
I m mostly floating

G **D** **Em-D-C**
and I m not ready to come down

Em D **C** **Em-D-C**
I am not ready to come down...

Em-D-C
I m not ready...

C-D-G
To come down...
