

World In Front Of Me
Kina Grannis

C Am C7maj9
Hear your breath beside me in my bed

C Am C7maj9
All the sheets are tangled in my legs

C
And as I stretch

Am
The sun falls on me

C7maj9 C
A gentle way to say -- it s time to wake up

C7maj9
It s time to wake up

C Em F
To the world in front of me

C Em F
Watch as it unfolds so beautifully

C Em F
Fitting all the pieces perfectly

C Em F
It s the world in front of me

C Am C7maj9
Start your day with coffee, mine with tea

C Am C7maj9
Humming with my guitar as you read

C
I write a song

Am
The words all find me

C7maj9 C
Assembling into this picture of things

C7maj9

With all that they bring

C **Em** **F**
To the world in front of me

C **Em** **F**
Watch as it unfolds so beautifully

C **Em** **F**
Fitting all the pieces perfectly

C **Em** **F**
It s the world in front of me

Am **C7maj9** **Am**
Da da da da da da dum

Am **C7maj9** **Am**
Da da da da da da dum

Am **C7maj9** **C**
Da da da da da da dum oh whoa

C **Em** **F**
It s the world in front of me

C **Em** **F**
Watch as it unfolds so beautifully

C **Em** **F**
Fitting all the pieces perfectly

C **Em** **F**
It s the world in front of me

C **Em** **F**
It s the world in front of me

C **Em** **F**
Watch as it unfolds so beautifully

C **Em** **F**
Fitting all the pieces perfectly

C **Em** **F**
It s the world in front of me

C
It s the world in front of me
