

Boy Cries Wolf
Kind of Like Spitting

Artist: Kind of Like Spitting
Song: Boy Cries Wolf
Album: Old Moon in the Arms of the new
Tabber: Andrew Biles

This song is simple enough and enjoyable to play and sing along. It s in standard tuning and I ve included the chords down the bottom if you re unsure of any. For the A chord I tend to switch between open position and the E barre shape (shown at the bottom), so use whichever you feel more comfortable with, although at the end I d recommend the barre version as it makes the A/Ab chord easier to nail.
