

Canaries

Kind of Like Spitting

Artist: Kind of Like Spitting

Track: Canaries

Album: Bridges worth burning

Tabber: Andrew Biles

Standard tuning

G **Am**
Make what you can out of nothing

D/F#
Keep bluffing your way to extinction

C **D**
You re a sick fuck to think

Em **C** **D**
That this, unlike anything else, will last forever

G **Am**
Building rock anthems a jigsaw exterior

D/F#
You see what you miss

C **D**
But you can t stand to be near her

Em
It s bigger than that you realize

C **D**
But short-sighted impulses own what s left of your dignity

G **Am**
Tell yourself quietly don t plow the field yet

D/F# **C** **D**
You re waiting to grow some new life from retrospect

Em **C**
You know free agency pays little in the long run

D
But you just don t feel like your legs are that tired yet

Em **Am**
Friends and go-betweens

D
Sing like canaries crushed in leaves

Am **C**
This is the thanks you get

Em **Am**
Somewhere that s sweet

D
Maybe someday we will meet

Am **C** **D** **G**
And I can thank you without strings

Am
All these before that get drilled on long after

D/F# **C** **D**
It s all just leverage when you re sure that it s over

Em **C**
The street goes blurry like a movie that you saw once

D
Minutes freeze but you can t collect the corners still

G **Am**
She used to whisper you name like a refrain

D/F# **C** **D**
And when she held you, you know, you felt safer

Em
But your demons are fucking huge

C
You stack your deck to lose

D
You say there s nothing you can do

Well we all know that you re lying

Em **Am**
Friends and go-betweens

D
Sing like canaries crushed in Spring

Am **C**
This is the thanks you get

Em **Am**
You get what you put in

D
I guess that s bullshit in the end

Am
Written under fluorescent lights

C **D** **G**
That replace the sun at night
