

Lady Percy
King Charles

Lady Percy by King Charles
tabbed by Rayni

G
If you d agree to be my love,
D
I d build you a world to fit like a glove,
Cadd9
And there you would rule and be queen,
C
A world with no crying.

G
Bathe in the waters warm by stone,
D
Shot with love from volcanoes,
Cadd9
Drawn by a chariot, pulled by man,
C
And view the ocean, gaily laughing.

G
Seahorses ride ahead in formation,
D
Lady in waiting with the information,
Cadd9
Dolphin race, spread word on the tide,
C
That you were coming like heavens light.

[chorus]
G Cadd9
Oh, I know,
C D
Lady Percy will never come to my show,
G Cadd9
Up in the highlands, racing cars,
C D
Building guns and breaking hearts.
(repeat)

[bridge]

G

Every time I see that you re walking by,

D

I look at you with my eagle eye,

C

And I know that you re the girl,

C

That s meant for, that s meant for me.

G

Oh how can I, how can I make you see,

D

If I make you love me, it s make believe,

C

And like I believe in you,

C

I want you to believe in me.

[chorus]

Oh, I know,

Lady Percy will never come to my show,

Up in the highlands, racing cars,

Building guns and breaking hearts.

Oh, I know,

Lady Percy will never come to my show,

Up in the highlands, racing cars,

Building guns and breaking hearts.

G

C

Raging fires, beech my soul

G

C

The water of life is drying out slow,

G

Cadd9

My soul is burning fiery red,

G

D

Oh take me now, lest I be dead.

[bridge]

Every time I see that you re walking by,

I look at you with my eagle eye,

And I know that you re the girl,

That s meant for, that s meant for me.

Oh how can I, how can I make you see,

If I make you love me, it s make believe,

And like I believe in you,

I want you to believe in me.

[chorus]

Oh, I know,

Lady Percy will never come to my show,

Up in the highlands, racing cars,

Building guns and breaking hearts.

Oh, I know,

Lady Percy will never come to my show,

Up in the highlands, racing cars,

Building guns and breaking hearts.

[outro]

G **Cadd9** **C** **D**

Oh, Lady Percy,

G **Cadd9** **C** **D**

Oh, Lady Percy, take me higher.

(repead)
