love lust Lyrics

Listen to the song for the Rythem

**G** **E**  
Never let a woman go even when you know she can always be replaced.  
**D**  
She can always be replaced.

**G** **E**  
Oh, lust only grows like anger and revenge or beauty comes and goes but  
**D** **G**  
love stays until the end.

**G**  
I wrote you a song Mississippi Isabel  
**E** **D**  
I even sent you flowers when you felt ill  
**G**  
You ve the strength of the Greeks  
You are god s masterpiece  
**E**  
You are every triumph, every victory  
**D** **G**  
I believe in every breath you breathe.

**G**  
And I always imagined you d be by my side  
**E** **D**  
Whether I m hiding in the city or tearing through the wild  
**G**  
You re only an Yoke, older noose on my throat  
**E** **D** **G**  
If your beauty is a fortress then my love will be the moat.

**E** **D** **G**  
Oh, fall in love with her. Fall in love with you, I must.

**E** **D** **G**  
I ll consume every part of you to indulge my love lust.

**G** **E**  
Never let a woman go even when you know she can always be replaced.  
**D**  
She can always be replaced.

**G** **E**

Oh, lust only grows like anger and revenge or beauty comes and goes but

**D** **G**  
love stays until the end.
