

The Brightest Lights
King Charles

Capo 3

All Gsus4s can be replaced with Gs but I think this sounds best:

C
The brightest lights
F C
Cast the darkest shadows,
Gsus4
And that s where I ll be found,
C F
For what s hiding by the morning
C Gsus4 C
Will be chased by daylight s hounds.

C F C
Oh, the Dawn light sweeps all the shadows clean
Gsus4
Of what has gathered in the night,
C
Hang the villains and the crooks
F C
High on butchers hooks
Gsus4 C
As they run from the sun in fright.

C F C
Oh the moonlight shadows are fleeting and scattered
Gsus4
Where memories and prophecies are slain,
C F C
Only the moment you re in can delight in sin,
Gsus4 C
So forget your regrets and pains.

C
The brightest lights
F C
Cast the darkest shadows,
Gsus4
And that s where I ll be found,
C F
For what s hiding by the morning
C Gsus4 C

Will be chased by daylight s hounds.

C **F** **C**
Well the twilight shivers as darkness is risen,
Gsus4
Cold ash poured over the sun,
C **F** **C**
For the sun to rise again he must go through hell
Gsus4 **C**
To see what the darkness has done.

C **F** **C**
The depraved are tamed, caught in pleasure s chains;
Gsus4
Willingly surrendering,
C **F** **C**
There s a song to your soul while you bow to gold,
Gsus4 **C**
The song the angels sing.

C
The brightest lights
F **C**
Cast the darkest shadows,
Gsus4
And that s where I ll be found,
C **F**
For what s hiding by the morning
C **Gsus4** **C**
Will be chased by daylight s hounds.

C
The brightest lights
F **C**
Cast the darkest shadows,
Gsus4
And that s where I ll be found,
C **F**
For what s hiding by the morning
C **Gsus4** **C**
Will be chased by daylight s hounds.

C
The brightest lights
F **C**
Cast the darkest shadows,
Gsus4
And that s where I ll be found,
C **F**

For what s hiding by the morning

C **Gsus4** **C**

Will be chased by daylight s hounds.
