INTRO

C....G.... played many times over

.....**C**.....**G**..  
I love to look out at the sea

.....**C**.....**G**.....  
From the swaying park quay at Roome Bay beach

.....**C**.....**G**...  
Today John Taylor starts his month away

.....**C**.....**G**...  
On a boat one 10 miles east of Aberdeen

[and so on...]

A dozen men, thirty days  
With 24 hours in each  
Of shattered boyhood dreams  
And not much sleep

I d much rather be me  
For once I d much rather be me

A month at sea  
And then they ll surely sleep  
With their heads  
Still stuck on land

A month on land  
And they ll surely dream  
Of girls they can afford  
But cannot have

And in a drunken haze  
They re on the rolling wave  
Once again I d much rather be me  
I d rather be me

Once again I d much rather be me  
For once again I d much rather be me

[End]
