Heartbeat ** Belew, Bruford, Fripp, Levin ** King Crimson

on "Beat" by King Crimson 1982

(very simple version, just a sort of guideline.
 if I find the time I will work out a far better TAB-Version,
 but for now...)

[tab]**C#**-   **H/C#**
  I need to feel your heartbeat, heartbeat[/tab]
[tab]**A**-9   **C#**-   **H/A**   **C#**-   **H**
 so close, feels like mine -- all mine[/tab]

[tab]   **A**-   **G**
    I remember the feelings[/tab]
[tab]   **A**-   **G**
my hands in your hair, hands in your hair[/tab]
[tab]   **A**-   **G**
    I remember the feelings[/tab]
[tab]   **A**-   **G**
the rythm we made, the rythm we made[/tab]

[tab]**H**-   **A**   **H**-   **A**
 I need to land sometime[/tab]
[tab]   **H**-   **A**   **H**-   **A**
 feel your heartbeat   right next to me[/tab]
[tab]   **H**-   **A**   **A G**
    right next to me[/tab]

C#-   **H**   **A**   **G6** (interlude and solo)

[tab]c#-   H   (only last time)[/tab]

Ok, this was my first attempt to post something,
I hope it was not too bad.
