```

Verso:

```

                F#5
Close your eyes and look at me
                E
I ll be stading by your side
                F#5
In between the deep blue sea
                E
And the sheltering sky
                F#5
If we find no words to say
                E
To the rhythm of the waves

```

Then will both surrender there you re walkin on the air
