```
[Verse 1]
Bm C#m
       (You really, you really)
Bm C#m
                                 F#m
       (You really, you really)
Bm
  Your pussy is God and I love it
D
  Gonna kiss me real hard, make me want it
  I think star signs mean nothing
  But I know you feel right so I m coming
           \mathbf{Bm}
                         C#m
  They say it gets hard when you re getting up
  Been knocked down from some other love
                 C#m
  But their best wasn t good enough
             F#m
  And you re number one to me
[Refrain]
                \mathbf{Bm}
                         Α
  You re extra special, something else
  Or maybe it s you
                F#m
                                  Α
                           Bm
  And I ve been looking for something I want
  And, baby, it s you
[Verse 2]
Um,
             C#m
Bm
  Your pussy is God, and you know I
D
   Think you re so cute when you get high
        C#m
  Never been good at this nice shit
  But I can try if you like it
                      C#m
 Sayin it gets hard when you give a fuck
```

```
Get knocked down from some other love but
             C#m
\mathbf{Bm}
 Their best wasn t good enough
            F#m
 And you re number one to me
  (You really really)
[Chorus]
Bm F#m
    (You really, you really)
 You know that it s God, baby, when you re around her
Bm F#m
    (You really, you really)
D
  I ve been praying for hours
Bm F#m
    (You really, you really)
 You know that it s God, baby, when you re around her
       F#m
  She s God and I ve found her, oh
                               (You really, you really)
[Verse 3]
 Your pussy is God, and I m falling
 We re on the same wave when we re talking
 I ve never been played in a good match
 But I win when I hear you say
          C#m
Bm
  I m cool if you love me, oh
 Knocked down from some other love but
             C#m
Bm
 Their best wasn t good enough
             F#m
 And you re better off with me
[Refrain]
                Bm
                         Α
  You re extra special, something else
  Or maybe it s you
                F#m
                         Bm
                                 Α
 And I ve been looking for something I want
  And, baby, it s you
```

D

```
[Chorus]
Bm F#m
     (You really, you really)
 You know that it s God, baby, when you re around her
   (You really, you really)
 I ve been praying for hours
Bm F#m
    (You really, you really)
 You know that it s God, baby, when you re around her
