CAPO 2

Intro: **G - D - A - Bm** 2x

G **D**
Feeling short of breath again
A **Bm**
The way you think is sinking in
G **D**
And I have caught you stealing
A **Bm**
My heart away
G **D**
Every beat that skips away
A **Bm**
And every word I dare to say
G **D** **A** **Bm**
Has lit up a fuse to a love that s explosive

G **D** **A** **Bm**
We are the ones that leave this world behind
G **D** **A** **Bm**
We are the ones that fuel the fire inside
G **D** **A** **Bm** **G D**
This is a reaction, chemical reaction now
A
We are the ones

Tonight

G **D**
Never thought I d feel this way
A **Bm**
Your love has got my heart in chains
G **D** **A** **Bm**
Now I m wearing it on my sleeve
G **D**
Every wall has broken down
A **Bm**

With every thought you've said out loud
G D A Bm
But we have the chance to make a love that's explosive

G D A Bm
We are the ones that leave this world behind
G D A Bm
We are the ones that fuel the fire inside
G D A Bm G D
This is a reaction, chemical reaction now
A
We are the ones

Tonight

Bm G
I see through your armor
D
Together we're stronger
A
And I know, Just let go
F# Bm
And hold on to me
G
Our love's like a time-bomb
D
That's been ticking for too damn long
A F# Bm
Just listen to the beat of your heart
