Baby Just Break
King Tuff

I was walkinâ€™ down a dead-end road
Tryinâ€™ to find somewhere to go
Things were movinâ€™ a little too slow
So I did the opposite of what I know
And I went bustinâ€™ loose
Straight into the blue
Yeah I was livinâ€™ outta my shoe

â€˜Cause someone told me long ago
â€œBaby, just break the rulesâ€•
You donâ€™t got too much time ya know
Baby just break the rules
Whatâ€™s it gonna take to free my soul
Baby just break the rules
Now Iâ€™m just a criminal
So baby just break the rules
Baby just break the rules
If thereâ€™s anything you do
Baby just break
Just break the rules
Just break the rules

So I donâ€™t remember what I did
But I sure as hell donâ€™t give a shit
I start to scream and shout and spit
Cuz if they can make it we can break it
And now weâ€™re breakinâ€™ through
Weâ€™re chewinâ€™ off the noose
And weâ€™re smiling like a tooth
