

**Eddie's Song**  
**King Tuff**

I've tried to make this as readable as possible. There are several different solos in the song, and they are all tabbed at the end, and the keyboard part is also at the end, tabbed for guitar.

Solo 1, over B

**G#m** **E**  
**G#m** **E**  
**B** **B** (Repeat Part 2 of the intro solo  
just before verse starts)

**B**  
Eddie never had a taste for school  
**B** **F#**  
Eddie wanted diamond mighty jewels  
**G#m** **E**  
He can barely read or write  
**G#m** **E** **B**  
He's playing with your head tonight

**B**  
**F#**  
Forever young  
**G#m** **E**  
But forever's not very long  
**F#** **E** **B**  
So I'll just keep on singing Eddie's song

**B**  
**B**  
Eddie's stealing all your underwear  
**B** **F#**  
Wears it like a crown around his hair  
**G#m** **E**  
Watch out Eddie, here she comes  
**G#m** **E**  
It's you and you have so much fun

**B**  
**F#**  
Forever young  
**G#m** **E**  
But forever's not very long
