[Verse 1]

C	B/C	Am7	C*
I ll lose some sales and my boss won t be happy,			
F	C	Am	C
But I can t stop listening to the sound			
F	C	Dm	
Of two soft voices			
Am			
Blended in perfection			
C	G	Fmaj7	G C
From the reels of this record that I ve found.			
Every day there s a boy in the mirror asking me...			
What are you doing here?			
Finding all my previous motives			
Growing increasingly unclear.			

[Break]

C B/C Am7 C* Fmaj7 Gmaj7 C

[Verse 2]

I ve travelled far and I ve burned all the bridges
I believed as soon as I hit land
All the other options held before me,
Would wither in the light of my plan.

So I ll lose some sales and my boss won t be happy,
But there s only one thing on my mind
Searching boxes underneath the counter,
On a chance that on a tape I d find...

[Bridge]
