[Intro]

C# C/C Bbm7 C# \* F#maj7 G#maj7 C#

[Verse 1]

C#	C/C	Bbm7	C#*
I ll lose some sales and my boss won t be happy,			
F#	C#	Bbm	C#
But I can t stop listening to the sound			
F#	C#	Ebm	
Of two soft voices			
	Bbm		
Blended in perfection			
C#	G#	F#maj7	G# C#
From the reels of this record that I ve found.			

Every day there s a boy in the mirror asking me...  
What are you doing here?  
Finding all my previous motives  
Growing increasingly unclear.

[Break]

C# C/C Bbm7 C#\* F#maj7 G#maj7 C#

[Verse 2]

I ve travelled far and I ve burned all the bridges  
I believed as soon as I hit land  
All the other options held before me,  
Would wither in the light of my plan.

So I ll lose some sales and my boss won t be happy,  
But there s only one thing on my mind  
Searching boxes underneath the counter,  
On a chance that on a tape I d find...

[Bridge]

**Ebm**

A song for

**C#** **C/C** **Bbm**

someone who needs somewhere

**C#** \*

to long for.

**F#maj7**

Homesick.

**C#** **C/C** **F#maj7**

Because I no longer know

**C# C/C Bbm7 C# \* F#maj7 G#maj7 C#**

where home is.
