[Verse 1]

Bb **A/C** **Gm7** **Bb***
I ll lose some sales and my boss won t be happy,
Eb **Bb** **Gm** **Bb**
But I can t stop listening to the sound
Eb **Bb** **Cm**
Of two soft voices
Gm
Blended in perfection
Bb **F** **Ebmaj7** **F Bb**
From the reels of this record that I ve found.

Every day there s a boy in the mirror asking me...
What are you doing here?
Finding all my previous motives
Growing increasingly unclear.

[Break]

Bb A/C Gm7 Bb* Ebmaj7 Fmaj7 Bb

[Verse 2]

I ve travelled far and I ve burned all the bridges
I believed as soon as I hit land
All the other options held before me,
Would wither in the light of my plan.

So I ll lose some sales and my boss won t be happy,
But there s only one thing on my mind
Searching boxes underneath the counter,
On a chance that on a tape I d find...
