[Intro]

B Bb/C G#m7 B * Emaj7 F#maj7 B

[Verse 1]

B	Bb/C	G#m7	B*
I	ll	lose some sales and my boss won t be happy,	
E	B	G#m	B
But I	can t	stop listening to the sound	
E	B	C#m	
Of two	soft	voices	
	G#m		
Blended	in	perfection	
	B	F#	Emaj7 F# B
From the	reels of this record that I ve found.		
Every day there s a boy in the mirror asking me...			
What are you doing here?			
Finding all my previous motives			
Growing increasingly unclear.			

[Break]

B Bb/C G#m7 B* Emaj7 F#maj7 B

[Verse 2]

I ve travelled far and I ve burned all the bridges
I believed as soon as I hit land
All the other options held before me,
Would wither in the light of my plan.

So I ll lose some sales and my boss won t be happy,
But there s only one thing on my mind
Searching boxes underneath the counter,
On a chance that on a tape I d find...

[Bridge]

C#m

A song for

B **Bb/C** **G#m**

someone who needs somewhere

B *

to long for.

Emaj7

Homesick.

B **Bb/C** **Emaj7**

Because I no longer know

B Bb/C G#m7 B * **Emaj7 F#maj7 B**

where home is.
