[Verse 1]

I ll lose some sales and my boss won t be happy, D\*  
But I can t stop listening to the sound D  
Of two soft voices Em  
Blended in perfection Em  
From the reels of this record that I ve found. Gmaj7 A D  
Every day there s a boy in the mirror asking me...  
What are you doing here?  
Finding all my previous motives  
Growing increasingly unclear.

[Break]

D C#/C Bm7 D\* Gmaj7 Amaj7 D

[Verse 2]

I ve travelled far and I ve burned all the bridges  
I believed as soon as I hit land  
All the other options held before me,  
Would wither in the light of my plan.  
So I ll lose some sales and my boss won t be happy,  
But there s only one thing on my mind  
Searching boxes underneath the counter,  
On a chance that on a tape I d find...
