

**Manhattan Skyline**  
**Kings of Convenience**

Intro: **Amaj7** | **Amaj7/E** | **Amaj7/F#** | **Dmaj7**

The intro chords are the chords for all the verses but played slower than the Intro.

**Amaj7**

We sit and watch umbrellas fly

**Amaj7/F#** **Dmaj7**

I m trying to keep my newspaper dry

**Amaj7**

I hear myself say

**Amaj7/F#**

My boat s leaving now

**Dmaj7**

So we shake hands and cry

**F#m7**

Now I must wave goodbye

**E** **Dmaj7**

Wave goodbye, wave goodbye

**E** **Dmaj7**

Wave goodbye, wave goodbye

**Amaj7**

You know I don t want to cry again

I ll never see your face again

I don t want to cry again

We leave to their goodbyes

I ve come to depend on the look in their eyes

My blood s sweet for pain

The wind and the rain brings back words of a song

And they sing wave goodbye

Wave goodbye, wave goodbye

Wave goodbye, wave goodbye

You know I don t want to cry again

I ll never see your face again

I don t want to cry again

So I read to myself

A chance of a lifetime to see new horizons

On the front page a black and white picture of

Manhattan Skyline

I hope you get the picture might b a few mistakes since i made it by ear mostly  
but it  
be more or less right, good luck .
