

Manhattan Skyline
Kings of Convenience

Intro: **Ama j7** | **Ama j7/E** | **Ama j7/F#** | **Dma j7**

The intro chords are the chords for all the verses but played slower than the Intro.

Ama j7

We sit and watch umbrellas fly

Ama j7/F# **Dma j7**

I m trying to keep my newspaper dry

Ama j7

I hear myself say

Ama j7/F#

My boat s leaving now

Dma j7

So we shake hands and cry

F#m7

Now I must wave goodbye

E **Dma j7**

Wave goodbye, wave goodbye

E **Dma j7**

Wave goodbye, wave goodbye

Ama j7

You know I don t want to cry again

I ll never see your face again

I don t want to cry again

We leave to their goodbyes

I ve come to depend on the look in their eyes

My blood s sweet for pain

The wind and the rain brings back words of a song

And they sing wave goodbye

Wave goodbye, wave goodbye

Wave goodbye, wave goodbye

You know I don t want to cry again

I ll never see your face again

I don t want to cry again

So I read to myself

A chance of a lifetime to see new horizons

On the front page a black and white picture of

Manhattan Skyline

I hope you get the picture might b a few mistakes since i made it by ear mostly
but it
be more or less right, good luck .
