

Toxic Girl
Kings of Convenience

Standard tuning

intro:

E

[Verses]

E

In the sky the birds are pulling rain

G

In your life the curse has got a name

C

D

Makes you lie awake all through the night

E

That s why

E

She s intoxicated by herself

G

Everyday she s seen with someone else

C

D

And every night she kisses someone new

E

Never you

[interact:]

E C E C D

E

You re waiting in the shadows for a chance

G

Because you believe at heart that if you can

C

D

Show to her what love is all about

E

She ll change

(pause)

E

She ll talk to you with no one else around

G

But only if you re able to entertain her

C

D

The moment conversation stops she s gone

E

Again
