(Riff 1)

Taking to the floor with the wheel to the sky  
I loosen my tie, I loosen my tie  
Locking down the door with the rhythm and rhyme  
I loosen my tie, I loosen my tie

Trying to recall what you want me to say  
I shake your way, I shake your way  
Counting on the night for a beautiful day  
I shake your way, I shake your way  
And I say you can t get enough  
No you can t get enough

(Riff 2)

Given a chance, I m gonna be somebody  
If for one dance, I m gonna be somebody  
Open the door, it s gonna make you love me  
Facing the floor, I m gonna be somebody

(Riff 1)

Now is your time and you know where you stand  
With a gun in your hand, with a gun in your hand  
Now I m no longer an ordinary man  
Was this your big plan, your gun in your hand  
And I say you can t get enough  
No you can t get enough

(Riff 2)

Given a chance, I m gonna be somebody  
If for one dance, I m gonna be somebody  
Open the door, it s gonna make you love me  
Facing the floor, I m gonna be somebody
