

Beneath The Surface
Kings Of Leon

F# Bbm B (x2)

F#

Degrade me, my purpose

Bbm B

Bury me beneath the surface

F#

I m scratching, I m clawing

Bbm B

Trying hard to make them pay

F#

Can t stand me, beside me

Bbm B

Kid you not, your kiss sure killed me

F#

The cold of my barrel

Bbm B

Never sees the light of day

F# Bbm B

Call me, call me, you could only hurt the story

F# Bbm B

Call me, call me, I ll be there to shine a light

F# Bbm B

F#

The smell on the speakers

Bbm B

Sweaty ballroom dancing fever

F#

They gather in numbers

Bbm B

Ever for a closer view

F#

The cease fire the weaker

Bbm B

Hair so red I couldn t keep her

F#

The dogs hound the neighbours

Bbm B

Everything was blown away
