E F#m  
Take me back to California  
E F#m  
To those crystal neon signs  
G#m A  
Where the traveling sensations  
F#m E F#m  
Are all blinded by the light

E F#m  
There are eyes in every corner  
E F#m  
Bloated brains and rotten smiles  
G#m A  
There are coats of many colors  
F#m E F#m  
Flying high up in the sky

G#m A  
Won t you come round my way  
E  
For some conversation, please  
G#m A  
Won t you come round my way
