(2x)

```

E                               A
I got a notion that says it doesn't feel right
C#m                             B
Got the answer in your story today
E           A                   C#m       B
You gave me a sign that didn't feel right

```

```

E                               A                   C#m       B
So don't knock it, don't knock it, you been here before
E                               A                   C#m       B
So don't knock it, don't knock it, you been here before

```

```

E                               A
I just wanted to know if i could go home
C#m                             B
Been rambling day after day
E           A           C#m       B
Everyone says they don't know

```

```

E                               A                   C#m       B
So don't knock it, don't knock it, you been here before
E                               A                   C#m       B
So don't knock it, don't knock it, you been here before

```
