

Red Morning Light
Kings Of Leon

Intro: **B A G F# E**

B
You know you could've been a wonder
E
Takin' your circus to the sky
B
You couldn't take it on the tight rope
E
No you had to take it on the side
B
You always like it undercover
E
Tucked in between your dirty sheets
B A G F# E
But no one's even done nuttin' to ya In between the hollers and the screams

Refrão: (**B A G F# E**)
And I said nah nah hey hey
Another dirty bird ain't givin' out a taste
In the black of the night till the red morning light

B
You got your cozy little corner
E
All night you're jammin' on your feet
B
Hangin' out just like a street sign
E
And put a twenty dollar trick
B
I hear you're blowin' like a feather
E
And then they rub it in your face
B A G F# E
Oh once they've had all their fun hun You're at the bottom of the cage

Refrão: (**B A G F# E**)
And I said nah nah hey hey
Another dirty bird ain't giving out a taste
In the black of the night till the red morning light
And I said nah nah hey hey you're givin' all your cinnamon away
That's not right

Solo

Só baixo e batera

Hey hey another dirty bird ain t givin out a taste
Uh hey keep on givin away and givin it away (givin it away)
Hey hey you re givin all your cinnamon away
Hey hey you re givin all your cinnamon away

Refrão: (**B A G F# E**)

Hey hey another dirty bird ain t givin out a taste
In the black of the night till the red morning light
And I said nah nah hey hey you re givin all your cinnamon away
That s not right
