

**Grapevine Valentine**  
**Kingsfoil**

Hey I m Daniella and this wasn t up so I felt like giving it a shot.

**Am** **C**  
Friday night getting done up  
**G** **D**  
You say you wanna look just like a china doll **Am**  
I answer that you do from the hall  
**C**  
My patience was waning, half moon, now I m lit up waxing poetic  
**G**  
In the bathroom I say that apart from lust  
**D**  
The secret to love is secrets plus trust

**Am**  
She says I got a smart tongue  
**C**  
I said in more ways than one  
**G**  
You re rolling your eyes but you wondering  
**D**  
Come on, come on, come on, come on

**Am** **C** **G**  
Come on give me something that I can believe in  
**Am** **C**  
Got those bedroom eyes in the living room  
**G** **Am**  
And we re pulling all the blinds in the afternoon  
**C** **G**  
All I wanted was to be somebody someone could believe in  
**Am** **C**  
But I m a grapevine valentine  
**G**  
I m the catch in your throat when you wanna cry  
**D** **Am**  
When all I really wanna do is catch you smile  
**C** **D**  
Smile, yeah

**Am** **C**  
This girl s got those smoky eyes on a clear night  
**G**

Lipstick on just right

**D**

We could take a drive feel alive in the dying light

**Am**

**C**

My patience was feigning who knew indifference would get me

**G**

Where I wanted to go

I could give you such a rush

**D**

The secret to love is blush blush blush

**Am**

There s no room for rumors

**C**

I ll silence them, yeah you can be sure

**G**

You should believe all the things you heard

**D**

Cause now I got you at a loss for (words)

**C**

Out across the lawn

**F**

Bare foot on the warm asphalt

**C**

**G**

In the road we stop the only ones, the only ones

**C**

Out across the lawn

**F**

Bare foot on the warm asphalt

**C**

**G**

In the road we touch tar to heels lips to lock

**Am**

**C**

**G**

Come on give me something that I can believe in
